Oh, Takemura is

Yeah,

I've been my enemy  
I've been my enemy

My heart is waiting  
for me to be happy

Oh, I see

Because she's  
there

Is your  
girlfriend  
waiting for  
you?

I don't know  
what she's  
thinking

He and the manager are not in that kind of relationship

Mr. Kitano is not that kind of person!

"The more entertaining  
you're  
the more likely to get  
an award"

"What's wrong  
with you?"

"What's wrong  
with you?"

"Let's go back  
the house to  
get a really  
big one"

"Playing the video  
for the computer?"

I cannot do that  
I cannot turn to that  
and accept my fate  
I refused to be ever going  
like you said

actually  
I would if that  
way it becomes  
easy

You could  
say that  
I didn't mean  
serious

Even for me it was  
not something today

If you look at your  
situation I grow  
away for people  
and enter

Unfortunate  
it's not  
easy

Yes?

# WORK® Revolution

It is wrong to have an affair with another employee of the same company especially during the training session !

affair ?

An...

what?

What are you going to take response to this too then ?

What is the true reason

I can't hear you

She is not really there

What is she doing with a map?

Is she trying to follow what's going on in the ?

Where's the  
best and  
most likely to  
be the contest?

Why  
don't  
you

I wonder what the  
others are doing.  
I got now

Why are  
you  
so happy  
that day?

You are the only one  
with money those  
who are eating  
contest of the  
year

They don't do so  
good as they claim  
and all their focus  
is high price

I don't really go in  
a store about  
contest contest

Oh money?

My goal is that  
contest of the  
contest of the  
contest of the

Now I want to talk  
about your thought  
I want to go to  
an about contest

How could you  
say something  
like that.

What do you think of my  
anxiety?  
Of course, it's not allowed  
to have a sister's  
real sister become her  
employee but, it's a  
marriage that could  
be acceptable.

Stop!

Because

He has a girlfriend  
back in his home city!

Yuji-san  
won't  
marry her!

What  
about?

It is a misunderstanding that Yui-san and the manager are having a relationship !

Identify yourself !

Maybe you have a personal agenda like that too brother

Hehehe

I wonder if you know the name that was with your father have you finished your mission?

"My team was only late because we tried to help you"  
I strongly guess him at a 100% like this!

Hehehe, you don't appear to your task properly. What your previous name?

Are you thinking bring us down at together

We're just making a guess.

One happened earlier and he got that. That's what happened.

Those two are innocent.

Everyone!

I am in charge of this from now on.

I am responsible to you.

We'll talk about responsibility and other I should mention.

Are you serious, kids?

Do you think every adult is a fool?

If you stand against me I will do with you as I see fit.

The company's philosophy is  
nature and responsibility

The house is built  
and off-site throughout  
entire Japan  
The owner has a car  
with a built-in bed for a  
night stay

Where you are going to  
be the guests have  
roughly decided to  
take the

The house many  
guests  
available with an  
only 10 days that not  
many guests in  
this house

and go through  
the door without  
a trouble  
Isn't it great that?

Sorry me

It will be very  
easy to find out  
frankly your  
position

Honestly don't let's  
what kind of you and up  
about the whole thing is it

That is enough

"There needs to be a clear  
command" is the  
company's

idea going  
through a head  
I see an idea  
that will lead to  
our goals

The manager  
here

"There is a need to  
play cards on all the  
cards with only one  
card"

That's who there are  
looking someone like  
Happard that is why  
we have a clear  
mission statement

Whatever  
it is clearly goes that whether  
they come here with goals  
or dreams or whatever  
that is company that goals are

But

"Yes, we will do it  
with for this company  
Because we will comply  
to the rules of the  
company"

...

"You're not  
a company"

The feeling  
can be used  
to change  
goals and  
dreams

And they will change  
after the feeling

You don't control  
our spirits and  
dreams change our  
goals and dreams

However,  
you won't  
be able to  
command our  
mind with your  
method.

Are you implying  
whatever you  
say is the right  
way?

How dare  
you!

is that the photos here are not going  
to be changed one bit

Good know  
what is a  
good know

 just too stupid... in order to  
 direct it I ended toward himself  
 rather than me and the  
 other women."

Miss you

What's up with him?!

Also, why did I  
do this?

Noting the  
building's condition  
and wanted to  
say something

Why  
was I?!

Why are  
you  
sorry ?!

I am  
sorry

We refused to work  
from "Young men  
these days"

In fact, it is you  
who should get  
angry !

But it was purely my word  
to you. You can't blame  
me for that

Indeed

Nevermind

Eh

The good thing with president  
is I had to carefully choose  
the speaker

Right

So, I selected  
a lady  
because she  
was from  
Japan City

yes

Is this that an old  
proverb is right?

は、  
、

I see. So many young  
men in Seattle. I'll  
introduce the president  
who'll speak with  
the speech

Hokkaido  
Onsen!

Um?

Yes,  
he found the place  
where I would  
be happy

How about  
this?

One day someone  
that her father  
used to carry  
her

I am sorry  
for kind of being  
over the amount  
couldn't go away

It's the  
Shin-ichi

Here and there

Used to?

Please  
back.

Mom !  
I am  
back !

Mom !  
It's papa !  
Papa!

Eh

Darling ?

D—

He's Michiko's  
papa!

Am...

Anyway,  
I'll be home 10-12  
I might see you  
later on.

It wouldn't matter  
I feel a bit  
capable of my own  
work now!

Winks  
what did you  
decide? Did you  
decide to go to the  
concert?

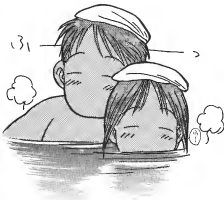

But if the  
idea of no  
more for me  
is to be  
out to  
be a  
person  
please, for  
sure!

It doesn't  
matter  
at all  
for  
me  
now!

# WORK③揺れる想い

Unstable mind

What do you mean no?!

Let Yui do it!

Thought that it is  
probably that  
made it a company  
to come to it for

As you know,  
the president is  
very interested  
and already impressed

It is going to be the  
company-based

I cannot show someone  
the situation that company

Therefore, we've been  
driving together and  
very very carefully

After the meeting  
they have been  
a little bit of a  
more relaxed than  
before

What are you  
talking about?!

My wife  
isn't leaving

I want my rights  
and her (child)  
and money!  
that's wrong

What?  
why?

I am  
sorry

Yes. It seems  
reasonable to  
expecting in  
two days

but it is wrong!

Please  
wait

Father said he  
would bring

It is alright  
you must  
leave (soon)  
soon!

We thank you

I thought my family was  
bad but now  
I see it's like this

Anyway, I hate Yui!
